

HOW CAN YOU

MAKE A GREAT EDUCATION

EVEN **BETTER?**

Pelham Education Foundation Spring Fundraising Campaign

Why Did You Choose Pelham?

For most of us, it's the proximity to New York City's world-class offerings, a speedy commute and beautiful homes nestled amongst mature trees. Above all it's the unique combination of our small tight-knit community and excellent public schools.

As with other high performing school districts, our tax dollars alone cannot sustain the quality education that our community demands and that our students deserve. With increasing budgetary pressure on our school district, our community, via the **Pelham Education Foundation**, steps in to fund the creative and meaningful programs we could not otherwise afford.

Join your neighbors this spring in supporting the programs, technology and equipment that make our good schools truly great.

Make a donation today...

...we'll decorate your doorstep with balloons on **Saturday, May 7**

FLY BALLOONS MAY 7. DONATE TODAY

Seven years ago, the Pelham Education Foundation began the tradition of the “non-event” fundraiser. No formal gala to attend, no fancy outfit to buy, no need for a babysitter. Instead, on May 7, our volunteers will decorate the doorsteps of our donors with balloons in a united show of support. Join your neighbors and rally behind our schools – they are the reason why we are here!
